Thank you for considering riding with us on this, our seventh annual charity run "Out of the Wings and Into the Wind." We had a great time on the first six rides and are looking forward to an even better run this trip.

To help insure the success of this ride, all riders are required to have the following:

- 1) A motorcycle with a range of at least 150 miles between gas stops.
- 2) A valid drivers license with the appropriate motorcycle endorsement, where applicable.
- 3) Proof of insurance for yourself and the bike that you are riding. For example, if it's your brothers' sisters' uncles' bike that you will be riding, then the insurance must cover your driving it.

Here's what it costs to ride:

The per-bike fee for the full ride is a minimum of \$1,000.00 in donations due by July 14, 2010. This includes a \$150.00 deposit that should be sent in with your Ride Registration Form.

The day-tripper fee is \$111.11 per day, per bike. This includes a \$111.11 deposit that should be sent in with your Ride Registration Form

Your ride fee goes directly to one of the charities we've identified as a recipient for this years' ride. Also, when you are collecting from friends, family and co-workers, please make sure their checks are payable to the appropriate organization.

Registration for riding in this event will close on July 1, 2010.
